**ROAD PAVING**  
**BOND ST (Harlem Ave to North Broadway)**  
**HARLEM AVE (MNRR Station to Bond St. Drop Off)**  
**JUNE 23, 2015**

Please be advised that the Department of Public Works has tentatively scheduled repaving of the subject roadway beginning on or about Tuesday, June 23, 2015 (weather permitting). Street parking will be temporary suspended between the hours of 8 a.m. – 5 p.m. **Please plan to move your vehicles to adjacent streets before the start of work at 8 a.m.** Access to the road will be limited during the day. All parking restrictions (i.e. no parking zones, etc.) will remain in effect. During this work, please watch for detours and closures.

Various alternatives have been carefully studied so that this work may be accomplished in a manner that is least intrusive and most efficient. We have determined that maintaining a limited amount of traffic (single lane where possible) during the day, and fully reopening it again in the afternoon, will be the most beneficial for motorists.

Please note that your regularly scheduled garbage or recycling pick up must be put out for collection before 8 a.m.

Questions may be directed to Highway Superintendent, Richard Stangarone at 422-1202.

Thank you for your patience and cooperation.

Very truly yours,

Richard G. Hope  
Acting Commissioner of Public Works
